4. PROBATIONARY PERIOD

All new full-time employees undergo a mandatory probationary period of 90 calendar days from their official start date. During this time, direct supervisors conduct bi-weekly check-ins to review progress, align on KPIs, and assess overall culture fit. Upon successful completion of the 90-day period, permanent employment status is officially confirmed.

5. WORKING HOURS & HYBRID WORK SCHEDULE

NovaTech operates on a 40-hour standard work week. Standard business hours are 9:00 AM to 5:00 PM local time, Monday through Friday. We support a flexible hybrid work model allowing up to 3 remote work days per week, provided core team meetings between 10:00 AM and 3:00 PM are attended.

6. PERFORMANCE EVALUATIONS & REVIEWS

Formal performance appraisals are conducted bi-annually in June and December. Reviews evaluate role-based deliverables, leadership values, and milestone achievements. Merit-based salary adjustments and promotional evaluations occur following the year-end December review cycle.
